

2009

Dear Friends,

On behalf of all of NYCCC - we are delighted to greet you at the closing of the Year of the Ox and to prepare for the arrival of the Year of the Tiger!

Your support has made it possible for the Center to survive, sustaining both our spirits and our operations. We recognize that this economic environment is challenging for you as well as for our organization. So we have aggressively worked at containing our costs while remaining true to our mission.

Despite our current financial challenges, we look to add martial arts classes, expand our public workshops, and create several original dance works next year. We will also be celebrating the Lunar New Year with performances in three boroughs during the month of February!

Our whole-hearted thanks for continually believing in our vision, and for giving so generously to support our efforts.

Recognizing your historical support, we would like to invite you to be amongst the first to join NYCCC as a member. Please see the enclosed brochure for additional information.

Best wishes and a Happy Holiday Season!
